Message from Father Mike

Dear Parishioners of Our Lady of the Rosary:

Some of our parishioners have requested a letter from me asking that their employers excuse them for religious reasons from vaccination requirements at their place of employment. Below, you will find a letter sent by Cardinal Cupich to all of the priests of the Archdiocese of Chicago about this matter.

I ask you to prayerfully consider the Cardinal's message.

Fr Mike O'Connell, Pastor

Dear Brothers,

During my vicariate meetings with the priests, I was told that some parishioners are asking their pastors to provide or sign a document testifying that their refusal to be vaccinated against the Covid virus is supported by the teaching of the Catholic Church. I do know that some bishops individually or by state have provided templates for such a declaration, even though there is no basis in Catholic moral teaching for rejecting vaccine mandates on religious grounds.

In fact, the Holy See has clearly stated that receiving the Covid vaccine is unquestionably in keeping with Catholic faith, and even has urged people to be vaccinated as an act of charity and out of respect for the common good in fighting the pandemic. Our moral teaching, while ever respectful of the rights of individuals, always keeps in focus the common good. Not doing so distorts Catholic doctrine.

Therefore, if you are asked to offer such testimony, please politely decline and explain that doing so would mean that you would be endorsing something that is not in keeping with Catholic teaching. Parishioners surely can determine their own actions, but it would be important to clarify that they cannot use the teaching of the church to justify such decisions, which in their essence, are a rejection of the church's authentic moral teaching regarding Covid vaccines.

This letter gives me the opportunity once again to thank you for your extraordinary service to God's People and assure you of my closeness to you in this time of the pandemic, filled with great challenges but also God's abundant grace.

Sincerely yours in Christ,

Archbishop of Chicago

Continuing an OLV Ministry

Our Lady of Victory started a SPRED Group in 1995.

SPRED is the Archdiocesan program of religious education specifically designed to meet the needs of persons with developmental disabilities. SPRED invites and trains volunteers to prepare a special place where they can welcome persons with developmental disabilities.

Through the experience of friendship, those with special needs discover a place where they belong and can enjoy meaningful relationships which help them realize their own giftedness and dignity as we learn of God's presence in our lives.

Our OLV SPRED group is moving our meeting place to St. Robert's which also has a SPRED group. We are in need of new Catechists to join our group.

There are currently 2 people on a waiting list to join SPRED.

Please consider joining us to share the Good News of Jesus in a setting of love and acceptance.

If you would like more information, please contact me at lindac8@sbcglobal.net

Thank you all for your support through the years.
